PREFACE.

This volume is issued under the orders contained in the N.-W. F. P. Government, Home Department, Memorandum No. $\frac{\text{19077-H.G.}}{\text{21/61.}}$, dated the 25th October 1933. The procedure prevalent in the Punjab in respect of the preparation of Gazetteers ha been followed. During the 3rd Regular Settlement, the preparation of the statistical part (Volume B.) and the compilation of Volume A. was commenced by the Settlement Officer, though little progress was made.

The old Volume B. which was prepared upto 1913 has now been completed up till 1931. No edition of Volume B. which is normally due every ten years at Census was produced in 1923. In the statistical part of Volume B. blank spaces for ten years 1932—41 have been provided, so that figures may be entered subsequently where necessary.

The tables included in Volume B. contain the main administrative statistics of the District and its tahsils.

Both parts were contained in one volume in the previous edition, but in this case the descriptive matter has been included in Volume A. while statistics except those especially connected with the text comprise Volume B.

E. H. COBB, CAPTAIN.
